JULIE PATRICK

Julie,
I think you fantastic person. Remember your great slumber party + Peg O'C keeping us with pillows. We already had good times & will probably have alot more.

Be good

Peg Spray

Hope you get your house on the hill!

Julie,
Will never had some times pretty good and some rather wird dating back into grade school. I'll never forget your sweet grade partie. Our old refrigerator raids, and our many water balloon fights. Now about Hawaii Five O, Lee Hamilton, and our New Years Eve surprise calls of the year. The time we soaked my retainers in pickle juice. And your many love affairs with Gregg Clark. No more time but remember Come alive in '75'

Pix (anne) Early

P.S. Chiro, Walking home from the bowling alley took 1 hr, Harts, Jr. High Booster buses, [illegible]

Julie,
Keep up the good work in all your classes except the ones I'm in, because it makes me look worse.

Steve Bubrick

Julie,
I'm really glad that we got some classes together this year. All of our laughs & fun, I'll never forget the Lord's Prayer. Good Journalism. Always right of the scene. Last year! Good luck in everything you do, always

Jane Bonsteel

Julie,
To the smartest girl I know. Notice I said girl, because I am the smartest boy I. Good luck this year and keep up the good work.

Randy Mc

Julie,
Glad that we have had some classes together this year. All of us together, oops, all of us. Don't forget the Lord's Prayer. Good luck!

Steve Bubrick

Julie,
Well, after all we've been through it's hard to believe that we made it to be seniors! Between those carnival men and Jeff' boys (after the movies) I don't serious how we ever made it. Julie, I'm really glad that I've gotten to know you because you are truly one of the nicest and sweetest and all-together greatest persons in the world! Good luck in everything you do and now have the best yr ever!!

Beth

P.S. Don't show Mr. Hicks my awful grammar!

Julie,
Congratulations on being #1 in way to go! Keep up the good work & we'll have a great Journalism & on the Patriot Staff. Good luck now & in the future. I hope we're friends always.
"Ellen"
(Ellen Slott)

Julie,
It's a real nice girl I know and I'm lucky I'll get to know you better. Good luck in everything you do!
Mary Pyle '75

Julie,
Have all of the fun in the year. Good luck in everything you do
Bruce Brock

Julie,
To a real nice girl who got lucky and taken in my Journalism Class. Mr. Hicks just mixed me in the class rank, but I don't mind being No. 2. Good luck this year
Greg Lee

Julie,
Can you believe we're Seniors? I hope we have a lot more fun this year. Good luck in everything you do.
Janet Hall

Julie,
Yes, I'm to the Seniors at S.S.HS. Isn't it? It's never wrong, for us half of the class to space in other the only year I planned to be in all four I really have studied hard in everything. I'm really glad that I've gotten to know you especially since 9th grade.

Life—so they say
Is but a game and they let it slip away
Love—like the autumn sun
Should be crying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're going
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again

Dreams—so they say
Are for the fools and they let them drift away
Peace—like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up always up

We may never pass this way again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way
That's why I want it with you baby.

We may never pass this way again. . .

SENIOR CLASS OFFICERS Teresa Patman, secretary-treasurer, John Wiethaff president, Martha Ashcraft, vice-president

Class of 1974

In August of 1973, many seniors didn't even realize that this would be their last year of high school They found that being a senior was quite different from being an underclassman. The four years of high school were filled with memories: being the first freshman class to attend SHS, ordering class keys and class rings, winning the Sectional spirit stick as juniors, presenting the Junior Class Play, serving on Prom committees, selling magazines, exchanging senior pictures, getting measured for caps and gowns, attending the Senior Dinner, serving on class committees, attending sports events, being in musicals or plays for the last time, receiving awards on Honor Day, all leading up to the final milestone itself Commencealaureate

A good philosophy for such a graduating senior could be: In all the disorder of life, keep peace with your soul and if possible be on good terms with everyone, and most important, be yourself, for you will never pass this way again

In Memoriam

Life — so they say
Is but a game and they let it slip away
Love — like the Autumn sun
Should by dying but its only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears
And all the years will come and go
And take us up; always up
We may never pass this way again

Class of 1975

1973-74 was definitely a busy year for the juniors. Their "junior" year really began late in the sophomore year when they all had to decide what classes they would take and if they wanted to attend college or not. The junior year went relatively smoothly until the rugged PSAT. After a period of rest came the junior class play, "The Death and Life of Sneaky Fitch." The money earned by the play was used by the juniors for the Prom. many juniors volunteered to help plan and decorate. Eventually, the big night came, and the juniors displayed with pride all of their hard work. The junior year ended with the juniors seeing the seniors off and dreaming of their "senior" year, and then realizing with some sadness that such a year as 1973-74 would never pass their way again

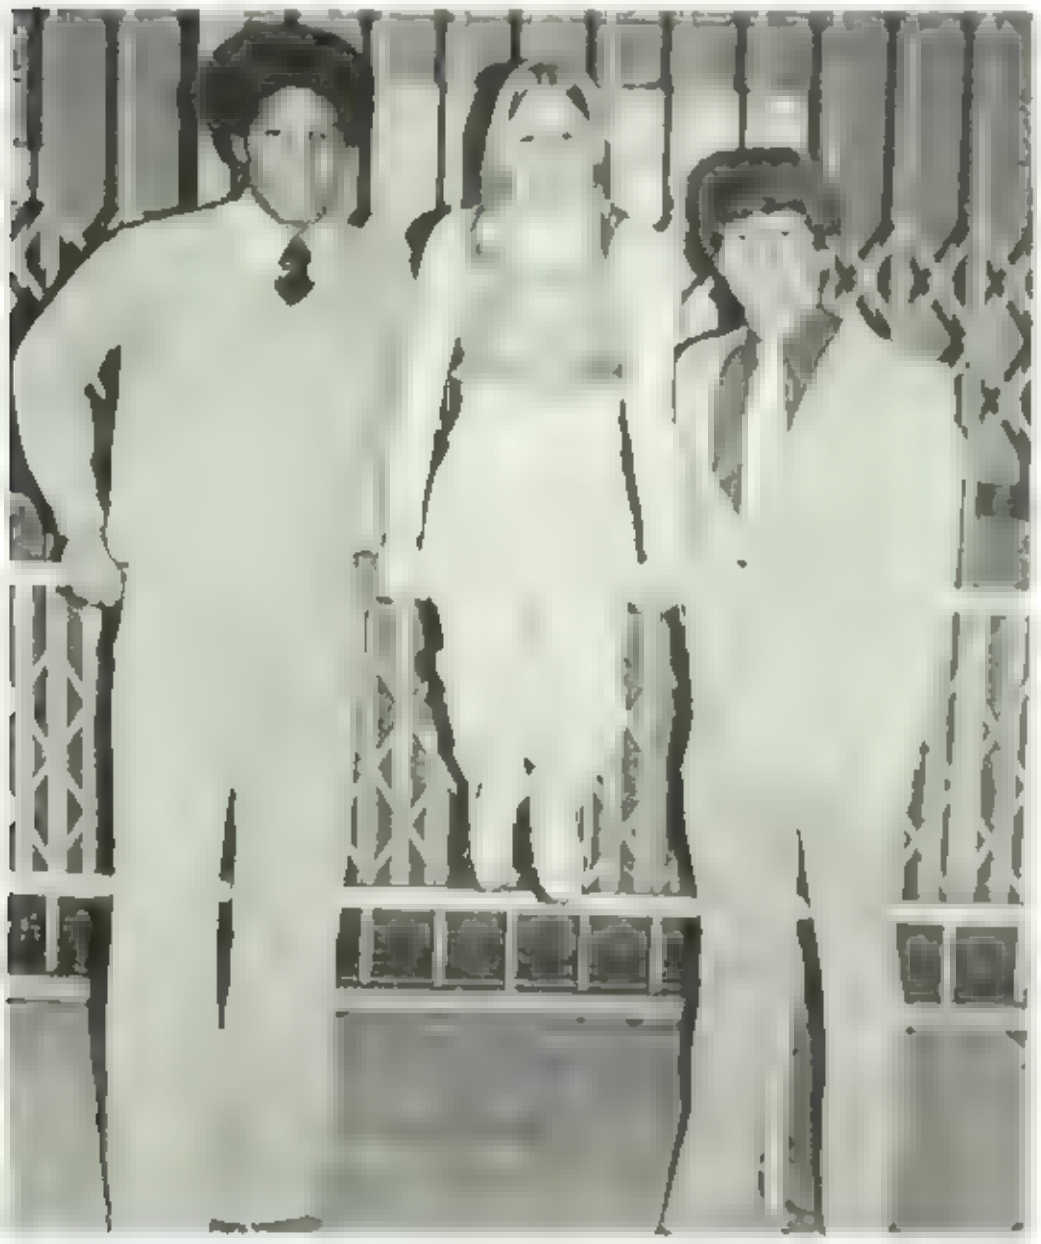
SOPHOMORE CLASS OFFICERS Bo McDougal, vice-president, Sherrie Sunbury, secretary-treasurer, Gene Barrett, president



Class of 1976

In 1973-74, the Class of '76 had a somewhat different year than they had had the year before. Gone was that feeling of being lost all the time, instead, they now knew what was going on. In the autumn, the sophomores ordered their SHS class keys, and in March they finally received this precious symbol of their 10th-grade standing

The sophomore year is also the year of the Kuder Preference Test, for two days in midwinter the sophomores punched holes in little circles, drew charts, and colored in graphs. With the results of this test in their permanent records, by April the sophomores began to schedule their classes for their upcoming junior year

Class of 1977

FRESHMAN CLASS OFFICERS: Bill K[illegible] vice-president, Steve Zarek, president, Eileen Eisner, secretary-treasurer

The Class of '77 quickly found out what it meant to be a freshman: one's first day of high school, losing one's way in identical-looking hallways, ending up in the wrong rooms, taking home the wrong books to study for tests. After the early confusion wore off, however, the freshmen rapidly became part of SHS school life. Sports, choir, band, plays, and student elections were just a few of the new experiences they encountered in their first year of high school — the stepping stone to the next three valuable years of their lives. Indeed, the Class of 1977 found that '73-'74 was an exciting and rewarding year, and, that even as freshmen, they would never pass this way again.

Faculty

For the faculty, the year of 1973-74 was a year of change. To begin with, they began under a new administration, headed by Dr. Conrad Galloway. Then the North Central Evaluation committee visited in mid-winter. Finally, among the shifts were the resignations of Mr. Bailey and Mrs. Appleby, who were replaced by Mrs. Moats and Miss Steckler, respectively.

Superintendent and School Board

Dr. Conrad Galloway
Superintendent of Schools

Mr. James T. Thompson
Board President

Having been named as the new Superintendent of Schools in early May of 1973, Dr. Conrad Galloway took over his new duties as supervisor of the Seymour schools' system in July. He and the board — including newer members Oakley Allen and Richard Stuckwisch — met once a month to oversee all of the details connected with running a large schools system. Of primary concern in 1973-74 were the fuel shortage and the hiring of successors to Mr. Scott, Mr. Stickles, and Mr. Suminski, all retiring coaches

Administrative Personnel

Mrs. Deborah Kolb
Reading Consultant

The Administrative Personnel perform a variety of duties to serve SHS students Mrs. Cobb, the new reading consultant, worked with students who had reading difficulties. Mrs. Lewis kept track of everyone's attendance record while Miss Smith kept an eye on our health. Miss Beard appeared at SHS to test students for speech and hearing defects. As Dr Galloway's Administrative Assistant, Mr. Bell's primary concern was the purchase of equipment. Mr. Finley was responsible for buildings and school buses, while Mr Seville helped to decide the school's curriculum

Mrs. Rowena Lewis
Attendance Officer

Miss Willma Rose Smith
School Nurse

Miss Sanece Beard
Speech and Hearing Therapist

Mr. Paul E. Bell
Administrative Assistant

Mr. Jerry M. Finley
Director of Transportation
and Buildings

Mr. Charles F. Seville
Director of Curriculum
and Instruction

Principal and Assistant Principal

Lloyd E. "Barney" Scott
Assistant Principal

Edwin A. Lyskowinski
Principal

Keeping SHS running smoothly for the entire year was the primary job of Mr. Lysko and Mr. Scott, Seymour High's principal and assistant principal. Although 1973-74 was the first year that Mr. Lysko was principal of Seymour High School, he was not a new face to SHS students, having been Dean of Boys and a social studies teacher here for a number of years. As principal, his responsibilities included arranging schedules, holding conferences with parents, selecting and supervising the faculty, and efficiently running the school. The main duties of Mr. Scott, one of SHS's assistant principals, were to assist Mr Lysko in the above duties and to supervise the physical education, intramurals, and recreation programs and to be Director of the SHS Summer School program

Mr. Warren Keyser, Guidance Director

Guidance Department

In '73-74, members of the SHS Guidance Department were kept busy. Mr. Keyser, the Guidance Director and Assistant Principal, worked with college-bound seniors and tackled the more severe disciplinary problems. Mr. Miller, the Vocational Guidance Counselor, handled job opportunities — both present and future — for SHSers. For the first semester, Mrs. Hawkins, the newest member of the Department, worked with sophomores in planning courses beneficial to the tenth-graders and their future

Each day, other "non-faculty" personnel served SHS invaluably in a variety of ways. Mrs. Joan Heavin served as secretary to the Deans and handled all attendance records. Mrs. Betty Skelton, the school's librarian, was always ready to help a student along with her regular duties. Mrs. Lucille Williams was the school treasurer; most students came into contact with her every time they visited the bookstore. Mrs. Linda Marsh was the brand-new secretary to the principal, but she too was always ready to lend a helping hand to any visitors to the main office. As she's done the past two years, Mrs. Sue Blythe divided her day by serving as secretary to both Mr. Scott and Mr. Miller.

Each school day, approximately a dozen women arrived early to begin to prepare the cafeteria's meals for the nearly 850 SHS students who ate at school daily. The 1973-74 school year brought some problems to Mrs. Holstine — the new school dietitian — and SHS's cooks as fewer and fewer government-subsidized foods were offered to schools at low prices. The dietitian and the cooks worked many hours preparing nutritious meals using the fewer government-supported items. The problem, of course, was keeping the school lunches at a reasonable price even though the government was offering schools fewer foods at low prices. On the brighter side, a new feature in the cafeteria was the milk-shake mixer, thanks to which many students enjoyed vanilla, strawberry, or chocolate milk-shakes with their meals

Custodians

In 1973-74 the halls, classrooms, and grounds of SHS were kept clean by Seymour High's nine custodians. With the relaxation of the chewing-gum rule, the janitors all had to work a little harder this past year, thanks to a handful of disrespectful students. Even though each one of us may never pass this way again, every year there is a new freshman class to fill the void caused by the most recent class of graduating seniors; the custodians are here to maintain our facilities during this never-ending flow of people

SHS Students Win Many Honors During the School Year

Each school year, many students bring honor to themselves and their school due to the achievements they've accomplished. For some, rigorous tests are taken in competition with other students — from SHS and from all over the state. Others gain honor and awards from year-long excellence exhibited in many fields, from auto mechanics to public speaking.

Summer School Is Largest Ever

The summer of 1973 was a studious one for SHS students as Seymour High School had its largest summer school enrollment in the school's history. Nearly 700 students enrolled, attempting over 920 credits. The new enrollment record was due primarily to the lack of summer job openings and the lure of hopeful future mid-year graduates. Eight different subjects were offered, with Driver's Education being the most popular. Summer highlights included the Biology classes' trip to the Louisville Zoo and Mr. Alexander's Economics class's field trips to some local factories and restaurants

2nd-Ranked Hammond Takes Holiday Tourney Title

On December 29 1973 the Seymour OWLs were hosts to Hammond, West Lafayette, and Jeffersonville for the annual Seymour Holiday Tournament. All eyes were on the tourney since the first afternoon game paired up two of the state's powerhouses, Hammond and Jeff. As expected, the game was extremely close, but Hammond edged out the Red Devils 61 to 59 in overtime That loss was the only blemish on Jeff's eventual 19-1 season record

In the second afternoon game, Seymour whipped West Lafayette, thus earning a shot at the Holiday Tourney title for the second straight year However, the 2nd-ranked 'Cats proved to be too much, and the OWLs fell to a 90-71 defeat. Fortunately, that loss was a turning point in the OWLs' season too, for they sprang back quickly and tallied eleven straight victories in their remaining regular-season games for a final 17-3 mark, one of the best in the state in 1974

"The Show Must Go On" at Choirs' Spring Concert

The old proverb, "The show must go on" easily characterized the Choirs' 1974 Spring Concert. With the director, Mr. Prout, sick in the hospital, the students took over and put on a splendid program in Mr. Prout's honor. With seniors Becky Davis and Larry Crane directing and emceeing, the Advanced Choir, Swing Choir, Concert Choir, and Girls' Glee Club presented many springtime numbers to the delighted audience. Dramatics Club Presents "Bad Seed"

The Dramatics Club is open to any SHS student who is interested in gaining useful stage experience by putting on short skits at the club's scheduled meetings or by attempting something more challenging . . . such as the annual Dramatics Club Play

The evening of December 15, 1973, climaxed many hours of hard rehearsal after school, in the evenings, and on Saturdays in preparation for this year's production of Maxwell Anderson's Broadway chiller, "BAD SEED." The plot revolved around a "charming" nine-year-old girl who had inherited criminal tendencies from her grandmother, a mass-murderess. Through this inheritance, she manages to commit three cold-blooded murders

"The Apollo of Bellac" Is First '74 Production of SHS Drama Class

The SHS Dramatics Class, under the direction of class instructor C. E. McCord, presented "The Apollo of Bellac" as their first play of the school year on January 4. As a change from recent years, this one-act production was given for college-bound students only.

The scene was set in the reception room of the International Bureau of Inventions in Paris. As usual, senior Becky Davis was outstanding in her portrayal of Agnes, the shy girl who is taught that she can have her way with any man if she will — upon meeting him — declare that he is handsome and compare him to the statue of the Apollo of Bellac.

The play, filled with wry comments, was entertaining for the college-bound students and proved to be a valuable learning experience for the Dramatics Class students, both on-stage and behind-the-scenes.

SHS Drama Class Continues Successful Year With "Our Town"

As their second play of year, the SHS Dramatics Class presented "Our Town," again for college-bound juniors and seniors. Our Town is a traditional high school favorite because it offers high school groups the opportunity to work with Thornton Wilder's suggestions: no props, no backdrops, and a stage manager as a narrator. Becky Davis, in the final performance of a distinguished high school dramatics career, portrayed Emily Webb while Tom Easterday, another drama veteran, played George Gibbs.

Pep Sessions Boost SHS Spirit

Screams, cheers, speeches, skits, yells, confetti, and students were a few of the ingredients that made this year's pep sessions successful in boosting OWL spirit here at SHS. Sessions were held at regular intervals throughout the school year on behalf of the cross country, football, swimming, wrestling, and basketball teams. Both the gym and the auditorium were used for these spirit-filled rallies.

OWLS Host Nineteenth Annual C.C. Invitational

Seymour's nineteenth annual Cross Country Invitational was held under unusually clear skies on Friday, September 28, 1973. Seventeen teams participated, which is a larger number than ever before. Of these seventeen teams, Seymour finished fifth with 161 total points. There were 112 runners who finished the two-and-a-half mile run, and Seymour's own Bob Hougland finished second, beaten only by a boy who would later finish second in the state finals.

OWLS Win 14th Annual Seymour Invitational

Despite cool temperatures encouraged by a typically gusty wind, the 14th annual Seymour Invitational got off to an exciting start when senior Susan Alexander was crowned queen of the event. Serving in Susan's court were: Karen Pardieck, junior; Susan Lawrence, sophomore; and Eileen Elsner, freshman, with escorts provided by the Student Council.

Following the crowning, action on the track and field began immediately for the host team and their guests. Providence, Bloomington North, Columbus East, Jennings County, Martinsville, Bedford, and Madison. Many close races and strong field-events participants kept the scores close but the OWLs proved to be the strongest team by totaling 98 points to runner-up Providence's 22.

Convocations Attempt to Educate and Entertain

Occasionally throughout the 1973-74 school year, the students and faculty of SHS were given the opportunity to break away from their routine work to relax in the gym or auditorium for a well-deserved convocation. The subjects of these convos were varied, but they were all scheduled for the same purpose: to entertain as well as educate. To add to the audience's delight, many times SHS students were "called on" to "aid" in the performances.

Many SHS students "volunteered" to appear in convocations. TOP: Bo McDougal lends a knee to have a lullaby sung to him. Each year, the Junior Class at Seymour High School puts on a class play in order to raise some of the money needed to present a Prom at the end of the year. In 1973-74, the Juniors chose the raucous Wild-West comedy, "The Death and Life of Sneaky Fitch." The play is currently one of the most ten popular plays put on by high school and college drama groups. Besides its popular comedy appeal, "Sneaky Fitch" has been acclaimed critically for its originality. Many members of the Class of '75 put in long hours to make the play a financial and an audience-pleasing success: acting out parts, doing backstage chores, and even building the entire set used for the play from scratch'

Juniors Turn Prom Into an Enchanted Medieval "Camelot"

For the 1974 Prom, the Class of 1975 set the dial back a few centuries, transforming the everyday SHS gymnasium into the enchanted kingdom of Camelot. The process of transformation was started immediately after Spring Break and was concluded on May 7. At nine o'clock that evening juniors, seniors and guests were welcomed on the main floor by Merlin's alchemist's lab. Crossing the bridge, guests entered a mystical Enchanted Forest, dressed with evergreens and great toadstools. "The Way We Were" Is 1974 After-Prom Theme

The parents of the juniors and seniors at SHS turned the time machine forward and stopped it just short of the present for the 1974 After-Prom. Echoing the theme, "The Way We Were," were giant-sized photographs from grade school and junior high school choirs, teams, and classes mounted against a shadowed background.

Students and their dates were served [illegible] neys, ice cream, and Cokes and ate on tables decorated with "little red wagons" filled with other snacks.

Kids and parents alike danced to the Continentals, a fourteen-piece band, backed by the theme of the evening spelled out behind them in "dancing" letters.

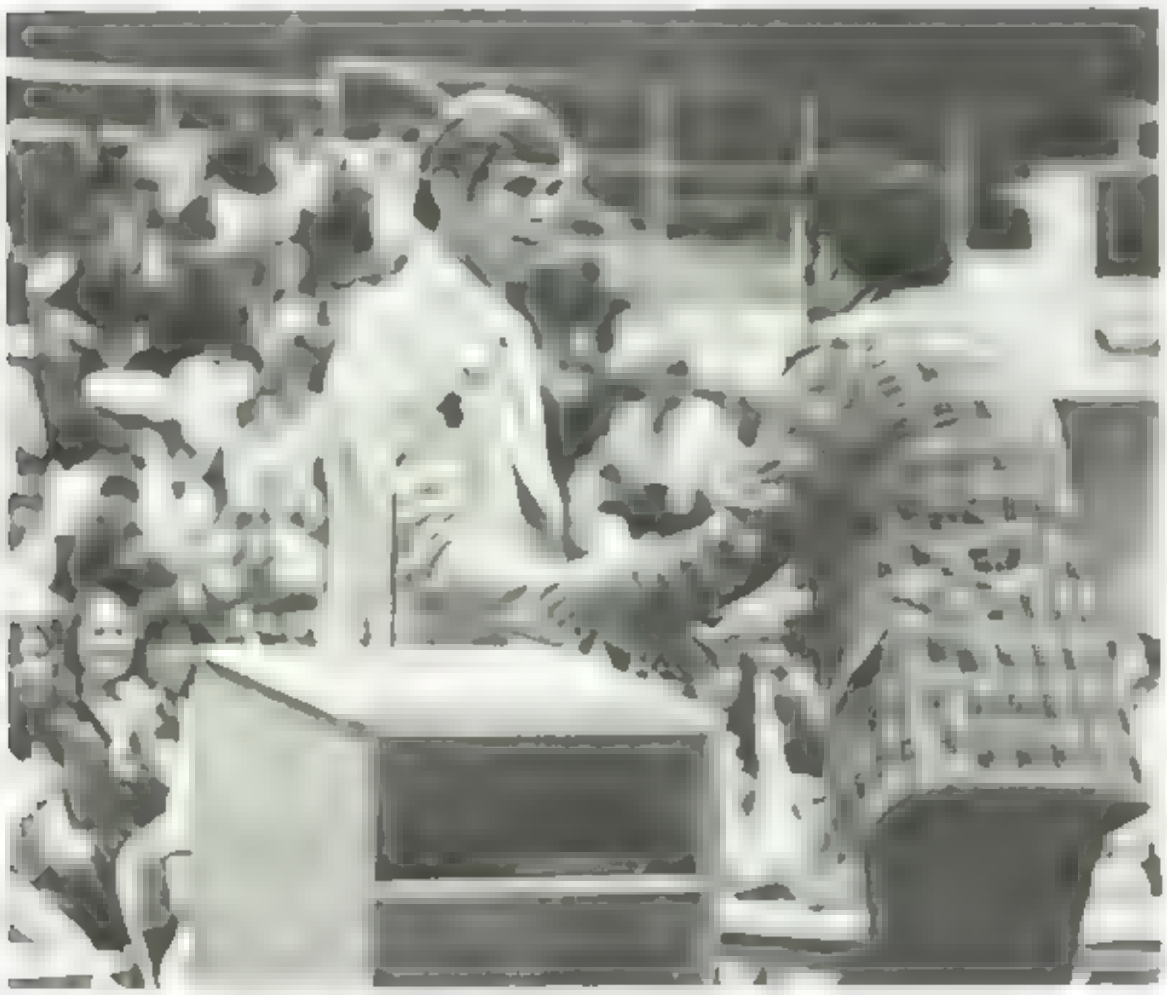
Many Deserving Students Recognized at Annual Honor Day



Up until the 1970-71 school year, Honor Day and Class Day were two separate SHS programs. The arrival of the freshman class made the enrollment too large to use the auditorium, so when the move was made to the huge new gymnasium, the two former programs were molded into one. Even though more and more SHS organizations are holding their own award-giving ceremonies, Honor Day is still the one day in the school year when honors are bestowed on deserving SHS students: from the handful of Seniors with perfect attendance to the dozens of students who earn service awards for their work on behalf of the school during the school year.

In addition, many business men and women take time from their busy days to come and honor SHS students too. At the end of the Honor Day proceedings this year Mr. Keyser announced that over $46,000 worth of scholarships had been awarded to SHS students on that morning alone!

Top honor-winners in '73-74 were Dave Earley as the year's outstanding athlete, Tom Easterday as Outstanding Senior Boy, and Julia Laupus as Outstanding Senior Girl.

The Athletic Board of Seymour High School is comprised of the Superintendent, the high school principal, the athletic director, head coaches in all the boy's varsity sports, the ticket manager, the junior high principal, an elementary principal, and representatives from the Board of Education, the girls' athletic program, and the elementary program.

This important group meets seasonally three times during the school year to keep a supervisory eye on the growing SHS athletic program. In 1973-'74 after long deliberation, the group revised the system by which boys win sports awards at SHS, planned for the resurfacing of the tennis courts and made other long-range plans that will modernize the future athletic program at SHS in many ways.

Girls' Volleyball Team Wins Sectional Title

The girls' volleyball team completed their second season with a 14-3 record, considerably better than last year's 5-5 record. The girls stopped Hauser 15-7 and 15-12 to win their own Sectional. They defeated East Central in the Regional, but fell to a tough Jeffersonville team. Junior Carol Haskett and Senior Debbie Henkle tied for the Most Valuable Player award. Coach Sullivan felt that a strong point in the team's success was their teamwork and desire to win.

Bob, the 1973 MVP, also placed second individually in the IHSAA Sectional and went on to the Regional. Earlier, in the Bloomington Class Cross Country Run, Bob finished second out of the 177 runners in the Junior class race.

In the large meets, the OWLs finished fifth in the SCC meet at Connersville and then finished sixth out of twenty-six at the Sectional During the long season, most of the boys improved their individual times, and since only two OWLs are lost by graduation, 1974's record should be even better

The girls' golf team ended their season in the fall of '73 with a 6-2 record. During the season, the girls continually lowered their individual scores, with Liz Larrison being the OWLs' medalist in each of the matches. The team all saved their best scores for the IHSAA Sectional, when they finished third out of eight teams. All of the girls were underclassmen, so Coach Linker is looking forward to an even better '74 showing.

"Turn Things Around"

OWL Golfers Complete Successful Fall Season

After several dismal losing seasons in a row, the 1973 OWL golf team "turned things around" in the fall segment of their schedule with a record in dual and triangular meets of six wins and four losses. Under full-time coach Bob Krietenstein, the linksmen finished sixth in the SCC, a jump of three places over the past two seasons.

Highlights of the fall season included Craig Scott's being Seymour's team medalist in the SCC meet; number-one man Rex Meyer's breaking the team record for lowest nine-hole and eighteen-hole scores; and Brent Dooley's rare two eagles during the season.

Injury-Plagued Owls Suffer Losing Season

Posting a 3-7 season record, the 1973 OWL Football Team turned in a season much like the 1972 team's final record. One difference was that the 1973 OWLs won their first SCC game in two years. On the negative side, this year's OWLs suffered five shutouts in their seven losses.

One problem which caused the second poor season in a row for the OWLs was injuries. David Earley, a starting end, was injured in pre-game warm-ups in the first game of the season when he backed into a Columbus East Olympian and broke his wrist, a knee injury to junior running back Gregg Sciarra kept him hobbled for much of the season; a recurring shoulder injury caused halfback Mike Sterling to miss several quarters of play; a shoulder separation kept sophomore Tony Anderson out of several games; in the Jeffersonville game, a slight concussion took Bo McDougal out of the game before the half, finally, in the Providence game, a painful nerve injury in the lower back removed Earley from the line-up for a second time.

All was not lost, however, as senior Rick Schlesbaum finished his high school football career with two high honors — Most Valuable Player and Tackler of the Year. Despite his injuries, senior Mike Sterling was voted Back of the Year, and senior guard Steve Bevers was selected Lineman of the Year.

Reserves End Season With 2-5-2 Record

Because of a slow start in the fall of the 1973 school year, the reserve football team slumped to a 2-5-2 final record. Coach Cullen Stahl used a two-platoon system throughout the season which allowed every player to start, regardless of his ability. Working together under the two-platoon system, the players improved toward the end of the season, and many of them gained more experience for possible candidacy for next year's varsity squad

Cheerleaders Bring Fun and Excitement to OWL Fans

In May of 1973, Martha Ashcraft, Beth Bowman, Kim Graessle, Debbie Henkle, and Jill Robertson were elected as the 1973-74 Varsity cheerleaders. The girls spent many hours practicing and perfecting such skills as poise, ability, and voice control in preparation for the football and basketball seasons. During the summer, the girls attended a cheerleader camp at Vincennes where they learned new chants, yells, and skits. In the fall of 1973, the cheerleaders held daily practices after school coordinating their yells in order to lead the pep club and cheerblock in backing our teams. Assisted by Miss Sullivan, the cheerleaders' sponsor, in planning and organizing pep sessions, the girls made the football and basketball seasons both fun and exciting for all OWL fans

Reserve Cheerleaders' Efforts Rewarded

Boosting the Junior Varsity team to a 17-3 season record in basketball was not an easy task, but the 1973-74 Reserve cheerleaders accomplished it with much spirit and a lot of hard work. At both football and basketball games, the freshman cheerleaders kept this spirit at its peak among the sometimes sparse crowds.

The Varsity Girls' Basketball Team finished the 1973-1974 season with a 7-5 record while the Reserves were 8-1. Carol Haskett led the Varsity with an average of 16.2 points and 14.6 rebounds per game. The Reserves were led by Jean Laupus who scored an average of 5.8 points per game and Brenda Prather who pulled down an average of 9.1 rebounds per game. The highlight of the Varsity season was the second time the girls played Columbus North, and the Owls defeated the Bulldogs by the exact same score as they had earlier in the season.

The 1973-1974 Varsity basketball team compiled a 21-4 record which ranked them as the seventh best team in the school's history. While compiling this record, the Owls also won the Seymour Sectional by defeating Scottsburg, Brownstown, and finally Jennings County. They then went on to the Seymour Regional where the Owls defeated South Central before falling to Jeffersonville in the championship game. Seymour also placed second behind Jeffersonville in the conference race

Because the Owls were a true team, a different player led in each category. Danny Thomas was high scorer with an average of 15.2 points per game while David Earley led in rebounds by pulling down an average of 8.3 rebounds per game. Ken Browning led in free throws and set a new school record by tossing in a remarkable 88.7% from the charity stripe. Bill Penner led the Owls in assists, and Bo McDougal led in minutes played

While many fans considered the Sectional victories the highlight of the season, the Owls probably put together their best game of the season against the 1973 State Champs, the New Albany Bulldogs, beating the former State Champs by 18 points in the Bulldog gym

Although only two Owls placed on the All-Sectional team, four Owls made the All-Regional team. Both David Earley and Will Wienhorst made the All-Sectional team and then repeated on the All-Regional team along with teammates Danny Thomas and Bo McDougal. Seymour's All-Conference representative was Will Wienhorst. Other honors were presented at the Winter Awards Banquet by Coach Barney Scott. For the first time in Seymour's history, a co-Most Valuable Player Award was given to Seniors David Earley and Will Wienhorst. Senior Kenny Browning won the trophy for his "free throwing" ability while senior Bill Penner received the 110% award

Seymour fans experienced a great shock during the basketball season when Head Coach Barney Scott and Assistant Coach Dick Stickles announced their retirement from the coaching staff. Both Coach Scott and Coach Stickles decided to remain in the school system as Athletic Director and math teacher respectively. The School Board announced later in the year that Reserve Coach Mickey Beck would replace Coach Scott

The 1973-74 Reserve team finished the season with an outstanding record of 17 wins and only 3 losses. One of the highlights of the season was the Rushville game when the Owlets came from behind by ten at halftime to win the game. Another high spot in the season was the February 1st game at Columbus when the Owlets beat Columbus North for the second time during the season. Girls' Swim Team Places Second in Regional

Bolstered by a turnout of 23 girls, compared to only nine last year, the 1973-74 girls' swim team compiled a 12-3 season record. Highlights of the season included a second-place finish in the Regional in which Seymour girls won seven of the fourteen events. Advancing on to the State meet, at which Seymour placed 14th out of 54 teams, were Janet Swain, Rexanne Earley, Lou Anne Tangeman, and Colleen Doolan. Janet placed the highest of the Seymour swimmers, with a fourth in the 50-yard butterfly, but this was the event she'd won the past two years. Coach Lubker was very pleased with all the girls' efforts and also stated that she was looking forward to next season since the team is losing only one senior, but she added that competition was getting tougher each year.

Winning Tradition Continued by 1973-74 "Aqua-Owls"

In 1973-74 the OWL swim team completed another successful season in the short history of swimming here at SHS. Finishing with a fine 9-4 record, including a hard-won victory over Floyd Central for the first win over the Highlanders in four seasons. The final State ratings showed the OWLs to be 41st out of more than 100 rated teams. In the big meets the Aqua-Owls finished fifth in the SCC for the second straight year and fifth in the IHSAA Sectional out of thirteen teams. Coach John Myers was proud of the OWLs' second consecutive winning season and said that he felt that swimming longer distances in practice and improving endurance have helped to build a strong competitive team in the four years of the sport here at Seymour.

Reserve Wrestlers End Season With 9-4 Record

The 1973-74 reserve wrestlers completed their season with a record of nine wins and four losses, matching the Varsity's dual-meet record. Unlike most of the other high school sports, during practice sessions the Varsity and the reserves practice together, and before each meet, "wrestle-offs" are held. The winners of these contests wrestle as Varsity performers that week, with the runners up performing for the reserves. So, many boys alternated during the two squads during the long season. Assistant Coach John Glezen, in his third season with the Owlets, felt that the 9-4 record indicated many of the boys would perform well on next year's Varsity.

Girl Tracksters Break 5 Records

Although the Girls' Track Team won only one of five dual meets in the spring of 1974, the season could be considered a very successful one in one way: the young team — over half the squad were freshmen — broke five existing records and tied another. Broken were school records in the low hurdles, the 440, the 880, the 440-relay, and the shot-put; and the long-jump record was tied. Susan Lawrence, a sophomore, was the most successful of the record-breakers: she knocked over a full second off the low hurdles record, finished second by a whisker in the Sectional, and advanced to the Regional.

Track Team Finishes Second in IHSAA Sectional

For the team as a unit, the 1974 season was a fine one. In dual meets, the thinclads won eight and lost only one. Their record as a team was just as impressive in the larger meets: the OWLs won their own eight-team Invitational, they finished a surprising second in the tough New Albany Relays; later in the season they also finished second in the 26-team IHSAA Sectional. Thirds in the SCC and Shelbyville Relays rounded out the team's excellent season.

The 880-relay team — made up of Roger Kriete, Joe Eckelman, Tim Sauls, and Chris Klaes — got into the act too, establishing a 1:31.4 mark in their specialty. Due to a small turn-out of only ten boys the Freshman Track Team had a 1-7 record in dual meets in 1974. The small squad worked hard, however, and there was a lot of individual improvement during the season. Coach Masnick thought the record could have been even better, thanks to near-wins against arch-rivals Jennings County and Bloomington South. Junior Kim Prout played number-one man all season long and lasted longest in the Sectional individually, eventually finishing second

Team records set by the 1974 OWL baseballers on their way to the Jasper Semi-State included their 29 total wins, a 19 game winning streak, and winning the Jeff Regional. The OWLs also set many new individual marks. Jeff Hubbard set new standards for times-at-bat and runs-scored. Dave Earley and Randy Lde shared a new mark for bases-on-balls, while Dave added a new record for stolen bases. Randy's 9-0 mark was also best-ever for an OWL pitcher.

MVP Will Wienhorst set four new records: most RBI's as a hitter; and most innings, most strikeouts, and most wins as a pitcher. All four of these record-setting OWLs were named to the All-SCC team. The OWLs captured several titles during 1974: they won the SCC and the Sectional for the second straight year; and they defeated Providence for their first-ever IHSAA Regional crown.

Coach Gordon Reynolds' Owlets completed a fine season too, winning ten out of fourteen games.

Giraffes Capture Mixed Volleyball Championship

This year, as in the past three years, mixed intramural volleyball was organized by the Athletic Department in March. Both boys and girls were given the opportunity to form their own teams and choose their captains. In 1973-74, teams were given a new look by classifying them under animal names. Games were scheduled on Mondays and Thursdays, with the championship match falling on the first Monday in May. The Giraffes, captained by Kevin Riordan, became the 1974 Intramural Volleyball Champs on that evening.

F.H.A.

The main goal of the Future Homemakers of America is to help individuals improve personal, family, and community living. With the completion of a busy year which included regular meetings, an initiation, a bake sale, and a Christmas party for the Sunshine School students, these FHA'ers had a lot of fun accomplishing that goal in 1973-74.

F.F.A.

The purpose of the 1973-74 Future Farmers of America was to develop leadership through an action program. The FFA'ers at SHS carried on many worthwhile projects throughout the school year that benefited both the school and the community: during the football season, the club members operated the concession stands; later on in the year, garden seeds were sold, to aid the surrounding community, the FFA'ers sold rat poison and instructed customers in its proper use; they also conducted a farm community safety program. During National FFA Week, the Future Farmers celebrated by treating the faculty to cherry delight and coffee. Other highlights of the school year were a hayride in October, a skating party with the FHA in November, and field trips to the National Farm Machinery Show in Louisville and the Farm Progress Show in Lebanon, Indiana. In '73-74, the Future Farmers of America surely lived up to their motto: "Doing to Learn, Learning to Do; Earning to Live, Living to Serve."

"Owl" Staff

The Seymour "Owl" was responsible for keeping the students of SHS aware of various coming events at school as well as informing them of the accomplishments of fellow students and assorted community activities. All of the staff members — including typists, photographers, artists, editors, and reporters — worked together in an effort to put out the twenty-eight issues during the school year. There were two staffs, each publishing an issue every other week. The first-period journalism class produced the "odd week" issues, while the second period journalism class put out the "even week" issues of the "Owl." Mr. Rohrer was the staffs' advisor he was aided throughout the year by the editors in chief Becky Davis and Rose Galloway.

SPQR

SPQR translates into "the Senate of the Roman people." SPQR was created to give members a more than thorough knowledge of Roman life and to carry on the ideas of this ancient civilization. In 1973-74, the club had a picnic at the Forestry in the fall, entered a float, "A Roman Christmas," in the local Christmas parade; sent delegates to the Indiana Junior Classical League Convention at IU and hosted their annual Roman Banquet in the spring. For the second straight year, SPQR challenged German-language volleyball students to a volleyball match, but lost after a fierce struggle. For the first time, at Honor Day, the club gave a scholarship to an outstanding senior; 1974's first recipient was Georgia Sandefur.

Spanish Clubs

Seymour High School witnessed another of many changes in 1973-74 when the Spanish Club was divided into two groups. Instead of having one large club as it had been in former years, the club split into two smaller groups, each acting independently of the other. Spanish Club I was made up of students taking first-year Spanish and was sponsored by Mrs. Ralston, while Spanish Club II accepted students who had taken two or more years of Spanish. The latter club was sponsored by Mr. Geuder

The two clubs enjoyed many Spanish-oriented activities during the club meetings held throughout the school year, with the highlight being a meal at a Mexican restaurant in the spring

Advanced Choir

The Advanced Choir was really kept on the move during the 1973-74 school year. The chorus started the year off by presenting the broadway musical, "The Sound of Music." As always, the play was presented before packed houses. Next the choir put on their annual Christmas Concert which was highlighted by the production of the opera, "Amahl and the Night Visitors." In March the Advanced Choir presented their spring musical, "Brigadoon," which was as equally successful as their fall musical. The choir finished the remainder of the school year with such activities as presenting a Senior Concert and singing at the Commencelaureate ceremonies in May.

With 18 boys and 50 girls, the Concert Choir is another important group in the choral department. The group first displayed their musical talents when they sang in the Christmas Concert. Next, they were called on to sing at the annual Mid-year Graduation ceremonies. Later in the school year they performed once more at the choirs' Honors Concert. Through these presentations and long hours of work in class, these students were able to gain a knowledge of and an appreciation of good music.

Swing Choir

During the 1973-74 school year, one organization was very active month in and month out – the Swing Choir Picked by audition from the Advanced Choir membership, these young people performed at school and civic functions throughout the school year. In '73-74, they sang at Oktoberfest, various civic clubs and church organizations, and local nursing homes. Although still a relatively new off-shoot of the SHS Choral Department, through their many outstanding performances, the group's reputation has grown to be one of the best

To back all the OWL athletic teams was the goal of the 175-200 members of the Girls' Pep Club. In the fall, officers and council members were elected, and soon, work was under way to produce signs, hoops, and all-around spirit for the sports events. Between the football and basketball seasons, the council members and officers met several times to choose new outfits. By the time the first basketball game rolled around, the girls were sporting new purple smocks, worn with white blouses, slacks, and purple derbies. Under the direction of the cheerleaders, the Pep Club voiced their support during all kinds of weather at track meets, tennis matches, wrestling and swim meets, and football, basketball, and baseball games

GAA, the Girls' Athletic Association, was formed to give all girls interested in athletics a chance to participate in different sports, have some fun with others, get some exercise, and earn awards for their efforts. Throughout the 1973-74 school year, these SHS sports-minded girls were active in volleyball, basketball, speedball, flag football, gymnastics, and bowling. In addition many volunteer GAA members helped the boys' sports program by keeping time at boys' swim meets and working at track meets. In the spring, the GAA held its annual Mother-Daughter Banquet where seven seniors were presented with coveted plaques for their GAA achievements and many other underclassmen were also presented with awards.

Photo Club

Unlike all other SHS clubs, the Photo Club is not an off-shoot of some subject in the curriculum, nor is it a purely social club either; it simply is a club formed years ago for Seymour High students who have more than an active interest in photography.

In 1973-74, the club witnessed demonstrations on how to develop negatives and print pictures. They also heard guest speakers like Mr. David McFall at club meetings on such subjects as portrait photo techniques, the variety of cameras, and press photography. During most of the second semester, many club members were busy entering their own photos in an intra-club photography contest.

Business Club

The goal of SHS's Business Club is to improve the efficiency of office work for those who are preparing for a career in a clerical field. During the school-time club meetings a variety of Seymour business people were invited to speak to the members about various aspects of the business world. During after-school hours, interested members made a number of field trips to places like Groub's, Weyerhaeuser's and the Telephone Company to witness their business force firsthand.

The Science Club is an opportunity for juniors and seniors taking physics or chemistry to pursue science further than their daily classroom work with Mr. Bell and Mr. Chastain, the sponsors. In 1973-74, the club subscribed to a magazine, saw science-related films, and heard guest speakers, including James Moritz, a former SHS student and club member, now a nuclear scientist.

Industrial Arts Club

1973-74 was the first year that there was a girls' auto mechanics class, therefore, girls were admitted as members to the Industrial Arts Club for the first time. In the fall, members collected food to make Thanksgiving baskets for the needy; after the April 3 tornadoes, members voted to donate club dues to the local Red Cross for tornado victims.

The Seymour High School Dramatics Club, under the direction of Mr. Brantley Blythe and Mrs. Deborah Ralston, brought the curtain down on a successful club year in 1973-74. To start off, on December 15, members of the club skillfully presented the popular Broadway thriller, "Bad Seed," as the club's annual play. Other interested members also received chances to display their acting ability in one-act skits given at regular club meetings. In addition, the group took a trip to Actors' Theater in Louisville to see a professional presentation of "Rendezvous."

From the first week of school to the last day in May, many students sacrificed their study hall time to assist the personnel at SHS. These students did most anything from delivering daily bulletins and attendance sheets to operating stage lights. In 1973-74, the tasks the assistants performed might have seemed trivial to the outsider, but the members of the faculty realized that the student assistants were necessary to make each day a success.

Tri-Hi-Y

The goals of the 1974 Tri-Hi-Y Club were to unite members in a spirit of friendship and to promote growth in Christian character. These goals were accomplished when the group started off the new year by a candlelight initiation ceremony of new members. They continued their "spirit of friendliness" when they made tray favors at Thanksgiving and Easter for the nursing homes and the Pediatrics Ward at the hospital. A spring picnic was held at Gaiser Park, where the club played softball and enjoyed light refreshments

Mat Maids

The Mat Maids are a group of girls who volunteer to assist the Wrestling team. After several practice-runs in which the girls learned the intricacies of scoring and the operation of the electric clocks, they were qualified to help at all home meets. The girls timed the matches kept score, announced the winners, and served as runners to keep the meets running smoothly. The girls' efforts were appreciated by the team and coaches during the entire season.

The 1974 seventeen-member PATRIOT staff was chosen on Honor Day last year. Working under the advisement of Mr. John Lewis, the staff sold booster ads all summer to earn money for the publication of the book. Early in the fall, they learned to lay out pages, crop pictures, write headlines and copy, and identify faces. The staff held four sales periods during noon hours in which students had opportunities to purchase the yearbooks. A sale of 400 candid pictures was held in May for those pictures for which there was not enough space. The staff worked into the summer to finish the book for its August distribution

During the hot sultry days of early August, 140 bandsmen under the direction of Mr. Steve McGrew gathered for their nightly workouts. All of these hot summer drills led to the regular busy season of football pre-game shows and half-time shows. Besides playing in the Winter, Pops, and Spring Concerts, both bands competed in a statewide contest and, as usual, brought home firsts. As an added bonus, the Symphonic Band also toured several high schools and college campuses, performing in convocations for them

The Campus Owls and German Band, offshoots of the Symphonic Band, completed a hectic schedule of their own this year by playing in the numerous concerts at school and making appearances at many clubs throughout Seymour.

The Pep Band, another member of the Band Department, consisted entirely of dedicated volunteers, who worked hard to add a little gusto to the basketball games and pep sessions

As we reflect upon the 1973-1974 school year, many events crowd into our memories: Report cards ... pep sessions ... snow storms ... Honor Day ... schoolbuses ... tornadoes ... the Prom ... graduation ... math ... The Sound of Music ... the heart-breaking loss to Jeffersonville in the Regional ... Commencement ... each of these is fused together to make this a year of accomplishments and failures, victories and defeats. The Patriot Staff has made an effort throughout this book to record the events and activities of the 1973-1974 school year as they affected us. Although none of us can be sure what the future holds in store as we reminisce over the past year, we know that we may never pass this way again.

Julie,

I've known you a hell of a long time, and your going to be going to college. I hope you won't forget me since I'm not going to college. hope I see you in the future.

Rote of Ruck,

David Zarb

Julie,

As David said, but just the opposite "I" have not [redacted] known you very long. I still remember your parties. When are you going to have another one?

Good luck this year and I know we'll have the best "Patriot" ever!

A friend,
Cathy Ray

Eleven long years and here we finally are! SENIORS!! We have had a lot of fun these past years but as everyone knows, this is going to be our best. Take it easy this year and I hope you stay No. 1. Have fun and I hope to see you at all of the parties coming up.

Good luck always,
Becky Hunsucker

Julie,
Well, we finally made it! I can't believe we're all seniors! I guess I've known you even since kindergarten days we were best friends. I haven't seen you much in the last few years but I kept tab on you. Have a good senior year! And have a studio and stay #1!
Love ahoy in '75

Julie,
Here we are 8 long months from that fantastic day in May. Hope this and the rest of the years to great for you. I know it will be especially wonderful this time all and in the '75
Good Luck

Julie,
Well, we made it! I can't believe we're all seniors! I guess I've been a great friend ever since Junior High and we've all had some really great times. Have fun this year, go to all the parties and keep up your fantastic grades (so I can copy them!) Stay as sweet and nuts as you are although.
Love

Julie,
Would have really got one alone together to be "seniors," but we've got a wedding was also going to do like it up in Quantico, Virginia. Have a wonderful time, honey, because it's a once in a lifetime thing. Good luck, honey, I'm sure Bloodmobile will be happy to accept your blood.

Julie
It's hard to believe we've finally made it "Seniors"! Thinking back across the yrs. - we've had lots of fun. The semi-state ne yr., then last yr. & last summer, going to Cincinnati with your parents (our luck - with the Black convention going on), some of the parties. Let's hope this yr. will be filled with loads of fun, too. We'll have to get together sme time & make sme fun. O.K? When r. if you've decided where you're going to college - good luck & you'll have to visit me at Purdue. Don't work too hard this yr.

Love,
Jan

To an old friend since grade school. It's been great knowing you. We've made it from Miss Bartlett to Mr. Forbes and I can't believe it. I'm sure you'll never forget our parties, working on the yearbook and all that good stuff. Keep that brain working and I know you'll go far.

Dear Julie,
It's hard to believe that we are finally seniors. It seems like we've been in school forever. I'm sure we will always remember our parties, our trip to Cincinnati, our yearbook, and our fun times together. I know you will be a great student and I'm sure you will do well in college. Good luck in the future and don't forget to visit us at Purdue.

Love,
Pam
